Various solicitations for services including Mowing & Maintenance, Janitorial, Herbicide, etc...will be issued in the upcoming months. These requirements cover specific lake locations and vary in dollar value and duration. Please visit FBO routinely to view these upcoming opportunities.

The previously identified Army Reserve and Military & Civil Works AE actions have been deferred to FY16. At this time, the projected workload does not justify procuring additional contract capacity. The Louisville District will re-evaluate these requirements in FY16.
